STREAM SOURCE

OPEN YOUR HIFI SYSTEM TO THE WORLD OF MUSIC STREAMING

Open your hifi system to digitally-stored music. Thanks to a high performance Digital to Analogue Converter, Stream Source supplies your hifi system with the best of your audio files. Like Stream 1, get instant Bluetooth connection with NFC smartphones and tablets.

Using the USB input and the integrated DLNA software, connect any USB stick containing music files to the home network for instant playback on your streaming device.
